## LETTER OF INVITATION

**TO: Prospective Bidders**

**5<sup>th</sup> May 2026**

**Procurement Reference Number: W/RFQ/NAMFI-3/2026/27**

**Request for Works: Design and 3D Printing of NAMFI Signboards for Walvis Bay Main Office and Lüderitz Satellite Campus.**

Dear Sir/Madam

The Namibian Maritime and Fisheries Institute invites qualified, competent and registered companies to submit their best quote for the works described in detail hereunder.

Bidders are hereby instructed to thoroughly read and understand the Bid Document and the Terms of Reference (ToR) and to ensure full compliance with all instructions, requirements, and conditions stipulated therein.

A **compulsory site visit** will be conducted as part of this bidding process. All prospective bidders are **required and strongly encouraged to attend**. Attendance at the site visit is **mandatory** for bid consideration.

Any resulting contract shall be subject to the terms and conditions referred to in the document.

Queries and Clarifications if any, should be in writing only addressed to *PMU* at: [procurement@namfi.net](mailto:procurement@namfi.net)

Please prepare and submit your quotation in accordance with the instructions given or inform the undersigned if you will not be submitting a quotation.

Yours faithfully,

Hertha Steven

Head: Procurement Management Unit

Initial.....

## **SECTION I: INSTRUCTIONS TO BIDDERS**

### **1. Rights of Public Entity**

The Namibian Maritime and Fisheries Institute reserves the right:

- (a) to split the contract as per the lowest evaluated cost per lot; and
- (b) to accept or reject any quotation; and
- © to cancel the quotation process and reject all quotations at any time prior to contract award.

### **2. Preparation of Quotations**

You are requested to quote for the works mentioned in Section III, by completing, signing and returning:

- (a) the Quotation Letter in Section II with its annex for Bid Securing Declaration, where applicable.
- (b) the Priced Activity Schedule in Section IV;
- (c) the Specifications and Compliance Sheet in Section V; and
- (d) any other attachment as deemed appropriate

You are advised to carefully read the complete Request for Quotations document, including the Special Conditions of Contract in Section VII, before preparing your Quotation. The standard forms in this document may be retyped for completion, but the Bidder is responsible for their accurate reproduction.

### **3. Validity of Quotations**

The quotation validity period shall be **180 days** from the date of bid submission deadline.

### **4. Eligibility Criteria**

To be eligible to participate in this Quotation exercise, you should:

- a) have a valid or certified copy of Company Registration Certificate.
- b) have an original valid or certified copy of a Good Standing Tax Certificate.
- c) have an original valid or certified copy of a Good Standing Social Security Certificate.
- d) have a valid certified copy of Affirmative Action Compliance Certificate, proof from Employment Equity Commissioner that bidder is not a relevant employer, or exemption issued in terms of Section 42 of the Affirmative Action Act, 1998.
- e) Submit duly filled and signed completed Bid-securing Declaration.
- f) Submit duly filled and signed completed Witten undertaking in terms of section 138 of the Labour Act, 2015 and section 50(2)(D) of the Public Procurement Act, 2015.
- g) The principle business should be in line with the nature of service required.
- h) Complete all spaces provided and initial each page of the standard bidding document.
- i) The bidder must submit a detailed quotation on its company letter head, in addition to Section 111 List of Goods and Price Schedule.

- j) The bidder must submit three (3) reference letters for similar work already completed.

**5. Bid Securing Declaration**

Bidders are required to subscribe to a Bid Securing Declaration for this procurement process.

**6. Works Completion Period**

The completion period for works shall be **21 Days** after acceptance and issue of Purchase Order. Deviation in completion period shall be considered if such deviation is reasonable

**7. Sealing and Marking of Quotations**

Quotations should be sealed in a single envelope, clearly marked with the Procurement Reference Number, addressed to the Public Entity with the Bidder’s name at the back of the envelope.

**8. Submission of Quotations**

Quotations should be deposited in the Quotation/Bid Box located at **Namibian Maritime and Fisheries Institute, 1<sup>st</sup> Street East, No. 29, Bid Box Located at the Reception Area, Walvis Bay.**<sup>1</sup>, not later than **Friday, 22<sup>nd</sup> May 2026, 14h30 p.m.** Quotations by post or hand delivered should reach The Namibian Maritime and Fisheries Institute by the same date and time at latest.

Late quotations will be rejected.

Quotations received by e-mail and fax will not be considered.

Clarification is only done via E-mail: [procurement@namfi.net](mailto:procurement@namfi.net)

**9. Opening of Quotations**

Quotations will be opened internally by The Namibian Maritime and Fisheries Institute immediately after the closing time referred to in section 8 above. A record of the Quotation Opening stating the name of the bidders, the amount quoted, the presence or absence of a Bid Security/Bid Securing Declaration, will be posted on the website of the Public Entity and available to any bidder on request within three working days of the Opening.

**10. Evaluation of Quotations**

The Public Entity shall have the right to request for clarifications in writing during evaluation. Offers that are substantially responsive shall be compared on the basis of evaluated cost, subject to Margin of Preference where applicable, to determine the lowest evaluated quotation.

**11. Technical Compliance**

---

<sup>1</sup> Insert number of fax machine secured for quotations not to be disclosed before the set date and time.

The Specifications and Compliance Sheet details the minimum specifications of the works to be carried out. The specifications have to be met, but no credit will be given for exceeding the specifications.

**12. Prices and Currency of Payment**

Prices for the execution of works shall be fixed in Namibian Dollars as quoted.

Quotations shall cover all costs of labour, materials, equipment, overheads, profits and all associated costs for performing the works, and shall include all duties. The whole cost of performing the works shall be included in the items stated, and the cost of any incidental works shall be deemed to be included in the prices quoted.

**13. Margin of Preference**

13.1. The applicable margins of preference and their application methodology are as follows:

*N/A*

**14. Award of Contract**

The Bidder having submitted the lowest evaluated responsive quotation and qualified to perform the works shall be selected for award of contract. Award of contract shall be by issue of a Purchase Order/Letter of Acceptance in accordance with terms and conditions contained in Section VI: Contract Agreement and General Conditions of Contract.

**15. Notification of Award and Debriefing**

The Public Entity shall after award of contract promptly inform all unsuccessful bidders in writing of the name and address of the successful bidder and the contract amount and post a notice of award on its website within 7 days. Furthermore, the Public Entity shall attend to all requests for debriefing made in writing within 7 days of the unsuccessful bidders being informed of the award.

## SECTION II: QUOTATION LETTER

(to be completed by Bidders)

*[Complete this form with all the requested details and submit it as the first page of your quotation with the Priced Activity Schedule and documents requested above. A signature and authorisation on this form will confirm that the terms and conditions of the RFQ prevail over any attachments. **If your quotation is not authorised, it will be rejected***

Quotation addressed to: [ name of Public Entity]	<b>The Namibian Maritime and Fisheries Institute</b>
Procurement Reference Number:	<b>W/RFQ/NAMFI-3/2026/27</b>
Subject matter of Procurement:	<b>Request for Works: Design and 3D Printing of NAMFI Signboards for Walvis Bay Main Office and Lüderitz Satellite Campus.</b>

We offer to execute the Works detailed in the Statement of Requirements, in accordance with the terms and conditions stated in your Request for Sealed Quotations referenced above.

We confirm that we are eligible to participate in this Quotation exercise and meet the eligibility criteria specified in Section 1: Instructions to Bidders

We undertake to abide by the Conduct of Bidders and Suppliers as provided under the Public Procurement Act during the procurement process and the execution of any resulting contract.

We have read and understood the content of the Bid Security/Bid Securing Declaration (BSD) attached hereto and subscribe fully to the terms and conditions contained therein. We further understand that this subscription could lead [*forfeiture of the security amount / disqualification on the grounds mentioned in the BDS*]

The validity period of our Quotation is \_\_\_\_\_ days [*insert number of days*] from the date of the bid submission deadline.

We confirm that the prices quoted in the Priced Activity Schedule are fixed and firm and will not be subject to revision or variation, if we are awarded the contract **prior to the expiry** date of the quotation validity.

Works will commence within \_\_\_\_\_ [*insert number*] days from date of issue of Purchase Order/ Letter of Acceptance.

Works will be completed within \_\_\_\_\_ [*insert number*] days from date of issue of Purchase Order/ Letter of acceptance.

### SECTION III: STATEMENT OF REQUIREMENTS

The Namibian Maritime and Fisheries Institute (NAMFI) hereby invites suitably qualified service providers to submit proposals for the **design, fabrication, and installation of three (3) 3D exterior signage systems** for its facilities in Walvis Bay and Lüderitz.

The required signage must enhance NAMFI’s institutional visibility and corporate identity while ensuring durability, aesthetic quality, and compliance with coastal environmental conditions.

The scope of work includes the full delivery of complete signage solutions, encompassing design development, production, supply, and installation. The signage shall incorporate a **3D raised NAMFI emblem**, primary and secondary text, and all associated structural and mounting components.

All materials used must be suitable for outdoor coastal environments and must demonstrate high resistance to corrosion, UV exposure, wind, and salt air. Marine-grade **316 stainless steel** is required for all lettering and logo components, supported by durable mounting systems and UV-stable finishes.

The contractor shall ensure that the final product aligns with NAMFI’s branding requirements, including approved colours, typography, and proportions. All designs must be submitted for approval prior to fabrication.

The installation shall be carried out at the following locations:

- Walvis Bay Main Campus – Navigation Block (1st Street East, No. 29, Walvis Bay, Namibia)
- Walvis Bay Main Campus – Administration Block (1st Street East, No. 29, Walvis Bay, Namibia)
- Lüderitz Satellite Campus – to be determined (Old Rossing Foundation, Lüderitz)

The service provider shall be responsible for site assessment, accurate measurement, fabrication, delivery, installation, alignment, and final quality assurance.

All works must be executed in accordance with applicable safety standards and industry best practices, ensuring a minimum design lifespan of 10–15 years with minimal maintenance requirements.

# A. SCOPE OF WORKS, SPECIFICATIONS AND PERFORMANCE REQUIREMENTS

## TERMS OF REFERENCES: DESIGN AND 3D PRINTING OF NAMFI SIGNBOARDS FOR WALVIS BAY MAIN OFFICE AND LÜDERITZ SATELLITE CAMPUS.

### 1. Introduction

The Namibian Maritime and Fisheries Institute (NAMFI) intend to enhance its institutional visibility and strengthen its brand identity through the installation of high-quality 3D exterior signage at its campuses in Walvis Bay and Lüderitz.

This bid proposal sets out the requirements for the design, fabrication, and installation of durable and visually impactful signage that accurately reflects NAMFI’s corporate identity. The signage must meet high standards of quality, aesthetics, and functionality.

Given the coastal nature of the project locations, particular emphasis is placed on the use of marine-grade materials, corrosion resistance, and UV stability to ensure long-term performance with minimal maintenance.

### 2. Project Overview

NAMFI requires the supply and installation of three (3) high-quality 3D exterior signage systems. The signage shall replicate the approved logo and typography, ensuring consistency across all sites and a strong institutional presence.

All materials, finishes, and installation methods must be suitable for harsh coastal environmental conditions, including exposure to salt spray, wind, and sunlight.

### 3. Design Specifications

#### 3.1 General Design

- **Logo:** 3D raised NAMFI emblem (as per provided reference image)
- **Primary Text:** NAMFI
- **Secondary Text:** Namibian Maritime and Fisheries Institute
- **Typeface:** Clean sans-serif font consistent with existing branding or approved equivalent
- **Finish:** Corporate cobalt blue with UV-resistant and environmentally durable coating
- **Appearance:** Modern, professional, and balanced composition ensuring high visibility and readability

### 4. Recommended Materials (Coastal Grade)

Due to high salinity, humidity, and wind exposure, all materials must be suitable for marine environments and long-term outdoor use.

#### 4.1 Lettering & Logo

- Marine-grade **316 stainless steel**
  - Excellent corrosion resistance for coastal conditions
  - Finished with powder coating or automotive-grade paint in corporate blue

#### **4.2 3D Printed Components (if applicable)**

- UV-resistant materials such as ASA, PETG, or equivalent suitable for outdoor exposure

#### **4.3 Mounting System**

- Stainless steel threaded studs with chemical anchors
- Non-corrosive spacers (nylon or stainless steel)
- Stand-off mounting (20–50 mm from wall) to create a shadow effect

#### **4.4 Finish**

- UV-stable polyurethane or powder coating
- Anti-fade and anti-peel protective coating

### **5. Suggested Dimensions**

#### **5.1 Walvis Bay Main Campus (Navigation & Administration Blocks)**

##### **Primary Text: “NAMFI”**

- Letter height: 600 mm
- Letter depth: 60 mm
- Total width: 4.5 m – 6 m (depending on spacing)

##### **Secondary Text**

- Letter height: 150 mm
- Depth: 20 mm
- Positioned below the primary text

##### **Logo**

- Diameter: 1 m
- Depth: 60 mm

### **6. Visibility Considerations**

- Designed for readability at approximately 100 meters
- High contrast between lettering and background
- 3D raised elements to enhance shadowing and legibility in sunlight
- Placement to avoid visual obstructions

### **7. Installation Scope**

Initial.....

- Site inspection, measurement, and layout alignment
- Fabrication of all signage components
- Surface preparation prior to installation
- Secure mounting using corrosion-resistant hardware
- Alignment, levelling, and finishing
- Final inspection and quality assurance

## 8. Durability and Maintenance

- Expected lifespan: 10–15+ years under coastal conditions
- Resistant to:
  - Salt corrosion
  - UV radiation
  - Wind exposure
- Maintenance requirements:
  - Minimal routine maintenance
  - Periodic cleaning recommended to maintain appearance

## 9. Conclusion

This proposal outlines a comprehensive approach to delivering high-quality, durable, and visually impactful signage for NAMFI. By utilizing marine-grade materials and proven fabrication techniques, the project will achieve long-term performance, structural integrity, and consistent branding across all locations.

The successful contractor will be expected to deliver and install signage that meets all specified requirements and adheres to professional and industry standards.
